July 2025

As promised, we are notifying you of our Household Hazardous Waste Collection, and appreciate the opportunity to be of service to you. **To participate, you must come to the Darke County Fairgrounds between the hours of 8:00 a.m. and Noon. on October 4, 2025. Please enter through Gate 1, gate closest to Lefeld's. For this event, there will be no preregistration.**

WE ARE SORRY FOR THE INCONVENIENCE, BUT IT IS IMPORTANT FOR YOU TO ONLY BRING THOSE ITEMS LISTED ON THE OTHER SIDE OF THIS SHEET:

We are expecting to collect a large amount of HHW and will be collecting items on one single day. Due to large volumes of paint, there will be a \$2 per paint can charge, whether full or empty. There will also be 5 can for \$1 charge for all aerosol cans no matter the contents. If your paint can is empty, take the lid off and throw the can in the trash. **We cannot accept any items in 55 gallon drums.**

During the collection, the hazardous waste contractor will view all of the items you have for disposal. The contractor will make the final decision on what will be accepted and rejected. **Participants will be accepted on a "first-come, first-served basis." DO NOT GET OUT OF YOUR CAR!!!!**

You will be asked for your name, address, and driver's license before any HHW will be accepted. This information will not be used for anything other than the district's records that must be kept on file for the Ohio EPA.

Please try to follow the time schedule listed on the other side of this paper. This will help with traffic control.

If you have any further questions about what might be accepted at the HHW collection, please call the district at 937-547-0827.
