

DEAR DARKE COUNTY ELECTRONICS RECYCLER,

WHEN AND WHERE THE COLLECTION TAKES PLACE:

We are pleased to announce our third Electronics Recycling Day for the drop-off, collection and recycling of electronics equipment. It will be on Thursday, May 20, from 9:00 a.m. to 5:00 p.m. in the Swine Barn at the Darke County Fairgrounds, 800 Sweitzer St., in Greenville, Ohio.

TO PARTICIPATE IN THIS PROGRAM YOU MUST PREREGISTER by filling out the form on the other side of this letter and RETURNING IT BY May 10, 2010, to the Darke County Solid Waste Management District Office at 603 Wagner, Suite C, in Greenville. "ALL" DARKE COUNTY RESIDENTS, BUSINESSES, INDUSTRIES, NONPROFIT ORGANIZATIONS, AND SCHOOLS ARE ELIGIBLE TO PARTICIPATE.

ASSIGNED TIME TO BRING IN YOUR EQUIPMENT:

When you preregister to participate in this program, you will be assigned a time that will be convenient for you to take your equipment to the fairgrounds. By assigning a satisfactory time for you, we are trying to circumvent long lines, longer waits, and traffic jams. However, if something should occur that prevents you from taking in your equipment at your assigned time, you may still take it for collection as long as you are preregistered.

WHERE IS EQUIPMENT TAKEN TO BE RECYCLED:

All of the equipment that you bring in will be picked up by and taken to an electronics recycler. The electronics will be repaired and rebuilt for reuse or will be disassembled for recycling. Nothing will be dumped in a landfill or sent to China, where it has the potential to pollute soil, water, and air, endangering both the environment and human health.

SUPERVISED DARKE COUNTY COMMUNITY SERVICE and RECYCLING AND LITTER COLLECTION CREWS:

When you take your equipment to the collection point, Darke County Community Service and Recycling and Litter Collection crews will unload your vehicle. These persons will be supervised at all times. Also, there will be other volunteers available to help you, including supervisors from the electronics recycler.

TEAM EFFORT MAKES THIS PROGRAM POSSIBLE:

This program is made possible through a team effort of the Darke County Environmental Council for Business and Industry, Darke County Solid Waste Management District and Policy Committee, Darke County Adult Probation Office, Darke County Board of Commissioners, Darke County Buildings and Grounds Department, Darke County Community Service Program, Darke County Common Pleas Court, Darke County Municipal Court, Darke County Homeland Security & EMA, Darke County Agricultural Society, Darke County General Health District's Environmental Division, Darke County Recycling and Litter Collection program, and Darke County Sheriff's Office.

We also want to thank Daryl Riffle and the Darke County Agricultural Society Directors for the use of the fairgrounds; Darke County Buildings and Grounds Supervisor Rick Honeyman, Marty Munchel, Bill Marker, Ken Martin and Dave Acker for their help with the loading operation, Gene Whittington, Adult Probation, for his supervision of the court referrals, Roberta Mangen and Corrie Holthaus of the Environmental Division of the Darke County General Health District, and Tom Hans, Butler Township Trustee and Darke County Solid Waste Policy Committee members, for volunteer support.

SPECIAL THANKS TO YOU!

Most of all, we want to thank YOU for your participation in this worthwhile program. YOUR efforts WILL make a difference!!

Krista & Linda
